A box will then appear asking you to 'prove that you are human' - all this is for is to ensure that the forum is not targeted by spammers or advertisers, and keeps the forum safe.

Watch the short advert (sorry—there is no way of removing this) or click 'Skip' (1)

After the advert words will appear on the screen. Enter these into the answer box (2) — including spaces. Then click 'Submit' (3)

Type your name and address in the 'Request Message' box (1). This way we will know that you are a carer and can activate your account. Then click 'Continue' (2)

ptionally, you may include a message for the forum staff along with your registration. Otherwise, click [here](#) to return to the forum as a guest.

You will then receive an email to the email address you gave. Click on the link within the email which will activate your account from your end.

As soon as we have activated it at our end you will receive a second email to tell you that we have done so.

You will then be able to go to the forum and login using the username and password you signed up with.
